Health Snippet – Kale

Health Benefits of Kale (Seek Medical Advise)

Kale is a dark, leafy green you can eat raw or cooked.

Curly kale: bright green ruffled leaves, the most common.

Dinosaur kale: narrow, wrinkly green leaves & thick stem.

Redbor kale: ruffled leaves of deep red to purple colour.

Russian kale: less common, and has flat leaves with a fringe that range from green to red to purple.

Kale Health Benefits:

- Vitamin A (important for eye and bone health and a strong immune system), vitamin C (aids in cold and chronic disease prevention), and vitamin K (good for blood clotting and bone building).
- Folate, a B vitamin that's key for brain development
- Alpha-linolenic acid, an omega-3 fatty acid. (Although kale has far less omega-3 than fish, it's another way to get some of this healthy fat into your diet).
- Lutein and zeaxanthin, nutrients that give kale its deep, dark green color and protect against macular degeneration and cataracts.
- Minerals viz: phosphorus, potassium, calcium, and zinc

Kale is curly or flat, the flavours differ, so try them all.

Top 5 Benefits of Eating Kale

- 1 Contains detoxifying properties
- 2 Fights inflammation
- 3 Supports healthy cholesterol levels
- 4 Reduces bone fracture risk
- 5 Supports eye health and vision

Revelation 14:9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

12 Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus.

HISTORY OF U.S. PRESIDENT-POPE MEETINGS

1919

Woodrow Wilson becomes the first sitting U.S. president to meet a pope. After the end of WWI he spent nine months in Europe, including a stop in Rome, where he met Pope Benedict XV.

1959

Four decades after that first meeting, Dwight D. Eisenhower was received in the Vatican by Pope John XXIII on Dec. 6.

1963

John F. Kennedy, the first Catholic president of the United States, met with Pope Paul VI a day after the papal coronation. Kennedy was originally scheduled to meet John XXIII, but he died of lung cancer shortly before their appointment.

1979

With John Paul's II first visit to the United States, Jimmy Carter became the second president to greet a pope on U.S. soil, but the first to welcome the head of the Catholic Church into the White House.

1982

Ronald Reagan visited John Paul II in Rome on June 7. The two would see each other four times in five years. They had a very palpable enemy in common: The Soviet empire.

HISTORY OF U.S. PRESIDENT-POPE MEETINGS

1993

Bill Clinton met with John Paul II for the first time. The Clinton administration would later clash with the Vatican on abortion and war. During their first meeting, in Denver's airport, the pope addressed the crowd and delivered a clearly pro-life message.

2004

During their third meeting, President George W. Bush presented John Paul II with the Presidential Medal of Freedom. Accepting the honor, the pope delivered a strong condemnation of the Iraqi war.

2009

Barack Obama was received by Pope Benedict XVI in the Vatican. The German pontiff used their first-ever meeting to deliver a strong pro-life message, even pointedly offering him a copy of a recent Vatican document on bioethics.

2015

During his first-ever visit to the United States, Pope Francis was received by Obama in the White House. He called for American leadership to combat climate change, embrace immigrants and care for the poor. He also prodded the White House on religious liberty, and insisted pro-life and family causes were at the center of his visit.

2017

May 24, President Donald Trump is scheduled to meet Pope Francis in the Vatican.

The Tomorrow War – Against Sabbath Keepers

The Sabbath aliens are called in the review as “Termites”.

In the movie the aliens are called – “White Spikes” who keep the Sabbath.

Is this referring to Revelation 12:17 (Sabbath) & 19:10 Spirit of Prophecy by E G White?

The screenshot shows a webpage from EW.com with a yellow header. The navigation menu includes MOVIES, TV, COMICS, VIDEOS, PODCASTS, BAD ASTRONOMY, SHOP, INTERVIEWS, and MORE. The main headline is in large, bold, black letters with yellow underlines: **'THE TOMORROW WAR' LOOKED AT TERMITES AND JOHN CARPENTER TO CREATE 'THE ULTIMATE ALIEN'**. Below the headline, it says "Contributed by" followed by a profile picture of Josh Weiss (@JoshuaHW...) and the date "Jul 2, 2021, 1:56 PM EDT". A share icon and the text "562 Shared" are visible. The main text begins with a large "N" and reads: "ow that it's today, *The Tomorrow War* has landed on Amazon, so it's time for us to discuss the movie's terrifying alien menace: the ravenous White Spikes. The extraterrestrial horde of quadrupedal and tentacled abominations seemingly appeared out of nowhere one day and started gobbling up humans left and right. With humanity on the brink of extinction, the final dregs of resistance decide to start recruiting able-bodied fighters from 30 years in the past." A small globe icon is in the bottom right corner.

Hatred against Seventh-day Adventists – “The Family Guy”

Cartoon: Family Guy & Seventh-day Adventists

I do not watch movies or "family guy" (Launched on January 31, 1999) nor do I recommend anyone watch it, however, when did pop culture become aware of Seventh-day Adventists, why would they find the Sabbath so strange or the people that keep it so strange.

Family Guy is an American adult animated sitcom created by Seth MacFarlane for the Fox Broadcasting Company.

The show is set in the fictional city of Quahog, Rhode Island, and exhibits much of its humour in the form of cutaway gags that often lampoon American culture.
